

Fall Prevention Program

Concerned about Falling?

Many older adults have concerns about falling and limiting their activities. **A Matter of Balance** is an award-winning program designed to reduce the fear of falling and increase activity levels. The program consists of eight, 2-hour classes and focuses on simple plans to manage falls.

Participants will learn to:

- See that falls are controllable
- Set goals for increasing activity
- Make changes to lessen chances of falling at home
- Improve movement, balance and strength

Who should attend?

- Anyone concerned about falls
- Anyone interested in improving balance, movement and strength
- Anyone who has had a fall in the past
- Anyone who has changed their activities because of concerns for falling

Admission is FREE, but registration is required because class size is limited.

Registration is EASY!
